Baby Raiders Seminole Champions

The Appomattox Junior Varsity clinched the JV Seminole District championship here November 1 with a victory over William Campbell 7-0.

For three quarters the game was a stand-off by the Baby Raiders defensive team.

With 56 seconds left, Bo Bo Trent threw a halfback pass to Tommy Wingfield covering 35 yards. After an unsuccessful running play, quarterback Mitch Eggleston passed 8 yards to Tommy Wingfield for the winning touchdown. With only 17 seconds left on the clock, Bo Bo Trent kicked the extra point.

Fine punting by Mitch Eggleston and a fumble recovery by Clyde Ferguson were outstanding plays during the game.

Closing out the season, the Junior Varsity won seven games, lost none, tied one. Recognition for this record not only should go to the players but also to their two new coaches.

Coach James Eckardt, a native of Bridgewater, came to us as a coach from Charles City County. He is married to the former Barbara Goad of Harrisonburg.

Coach R. D. Dickerson, Jr., a native of Blacksburg and graduate of VPI, came to us from Shawsville with his wife Carol and two young sons.

Congratulations to both coaches and the Raiders Junior Varsity.

Letter To The Editor

Mr. Lloyd Vaughan and Staff of the Times-Virginian Offge

Dear Mr. Vaughan:

At a time like this, it is very difficult to find the words to express our deepest and sincerest appreciation to you and your staff for the many, many favors and good deeds of advertising you have done for us during the month of October - our annual fund drive month.

We feel it is a privilege to have you as an honorary member of the Appomattox County Rescue Squad. Although this honor was bestowed upon you in the past, we wish to express again to you our feeling that you and your staff are members of the Appomattox County Rescue Squad in every way.

Most sincerely,
Nellie Almond
Finance Chairman

Dear Editor:

I believe in acknowledging credit where credit is due and I believe Don MacPherson deserves to be applauded for the fine job he did in helping Appomattox hold its first railroad festival this past weekend. I understand it was his idea and what an idea it turned out to be! Even the weather cooperated!

Being a new citizen of Appomattox, I must admit this festival has made me very proud to claim "I'm from Appomattox, Virginia."

Thank you for a wonderful weekend.

Mrs. W. S. Samuels

Letter To The Forum

TO THE CITIZENS OF HISTORIC APPOMATTOX -

I want to take this opportunity to express thanks to the many people of Appomatox who helped to make the first annual "Historic Appomattox Railroad Festival" an **incomparably grand success** , It would be nearly futile to attempt to write individual letters to all of the public agencies, businesses, civic groups, churches, schools, exhibitors, music groups, and individuals. There were a few key individuals who initially shared with me, the vision of a railroad festival. Their tireless efforts were instrumental in laying the groundwork for success, and they have earlier been identified throughout the community. Their gratification lies more so in the thousands who shared with us the joy of the festival rather than in any "thank-you letter" I could write. There were hundreds of others who helped in no small way, and perhaps the biggest thanks should go to the thousands who joined us at the depot.

A special public note of thanks to my wife, Barbara, festival secretary - treasurer, and son, Scotty, for their assistance plus sacrifice of family time in order that I could better serve this community.

As a Virginia Tech Extension Agent in a new, dynamic, and expanding outreach of our State University "Community Resource Development" I view the festival as representative of people working together to make their community a better place in which to live, work, and raise a family - in the true sense of our democratic process and spirit of the American people. The use of the word "cooperative" with the Extension Service does have real meaning to the Virginia citizenry.

Considering the rewards, our festival had a very low cash budget. Individuals, businesses, and civic groups of Appomattox pledged over $500 in order to defray the cost of the "Cactus Joe Choo Choo." However, more than two hundred dollars worth of pledges have not been received to date. Please make checks payable to "Historic Appomattox Railroad Festival."

Let us not forget the cooperation and assistance of those outside our historic county - corporations like N & W, public service newspapers, TV and radio stations, as well as Chapters of the National Railroad Historical Society, state and federal agencies, and many others.

A festival requiring six to twelve months of preparation was planned in less than three months. We know we made mistakes and we want to hear your comments, good or bad, and suggestions in order to plan your second annual "Historic Appomattox Railroad Festival." Citizens can write to me at: .Box 158, Appomattox, Virginia 24522. I will work to have another train excursion visit Appomattox because I know the excursion visitors left with a rewarding experience they will never forget.

In the conclusion of our ceremony on Sunday, I made what I feel was our greatest mistake - no invocation. Thanks and praise be to the God of our fathers for the many blessings.

Amen.

D. W. "Mac" Mac Pherson
Chairman, Historic
Appomattox Railroad Festival
